

REZI²⁴

FREEHOLD

“Every day is a
journey, and the
journey itself is
home.”

– Matsuo Basho

In our insatiable journey of mental and material gratification lies an Eden that we seek that will provide us shelter from the hustle and bustle of life, but yet in arm's reach of all that we seek. Undoubtedly, a haven that gives us the best of both worlds with the promise of a lifetime of happiness and serenity.

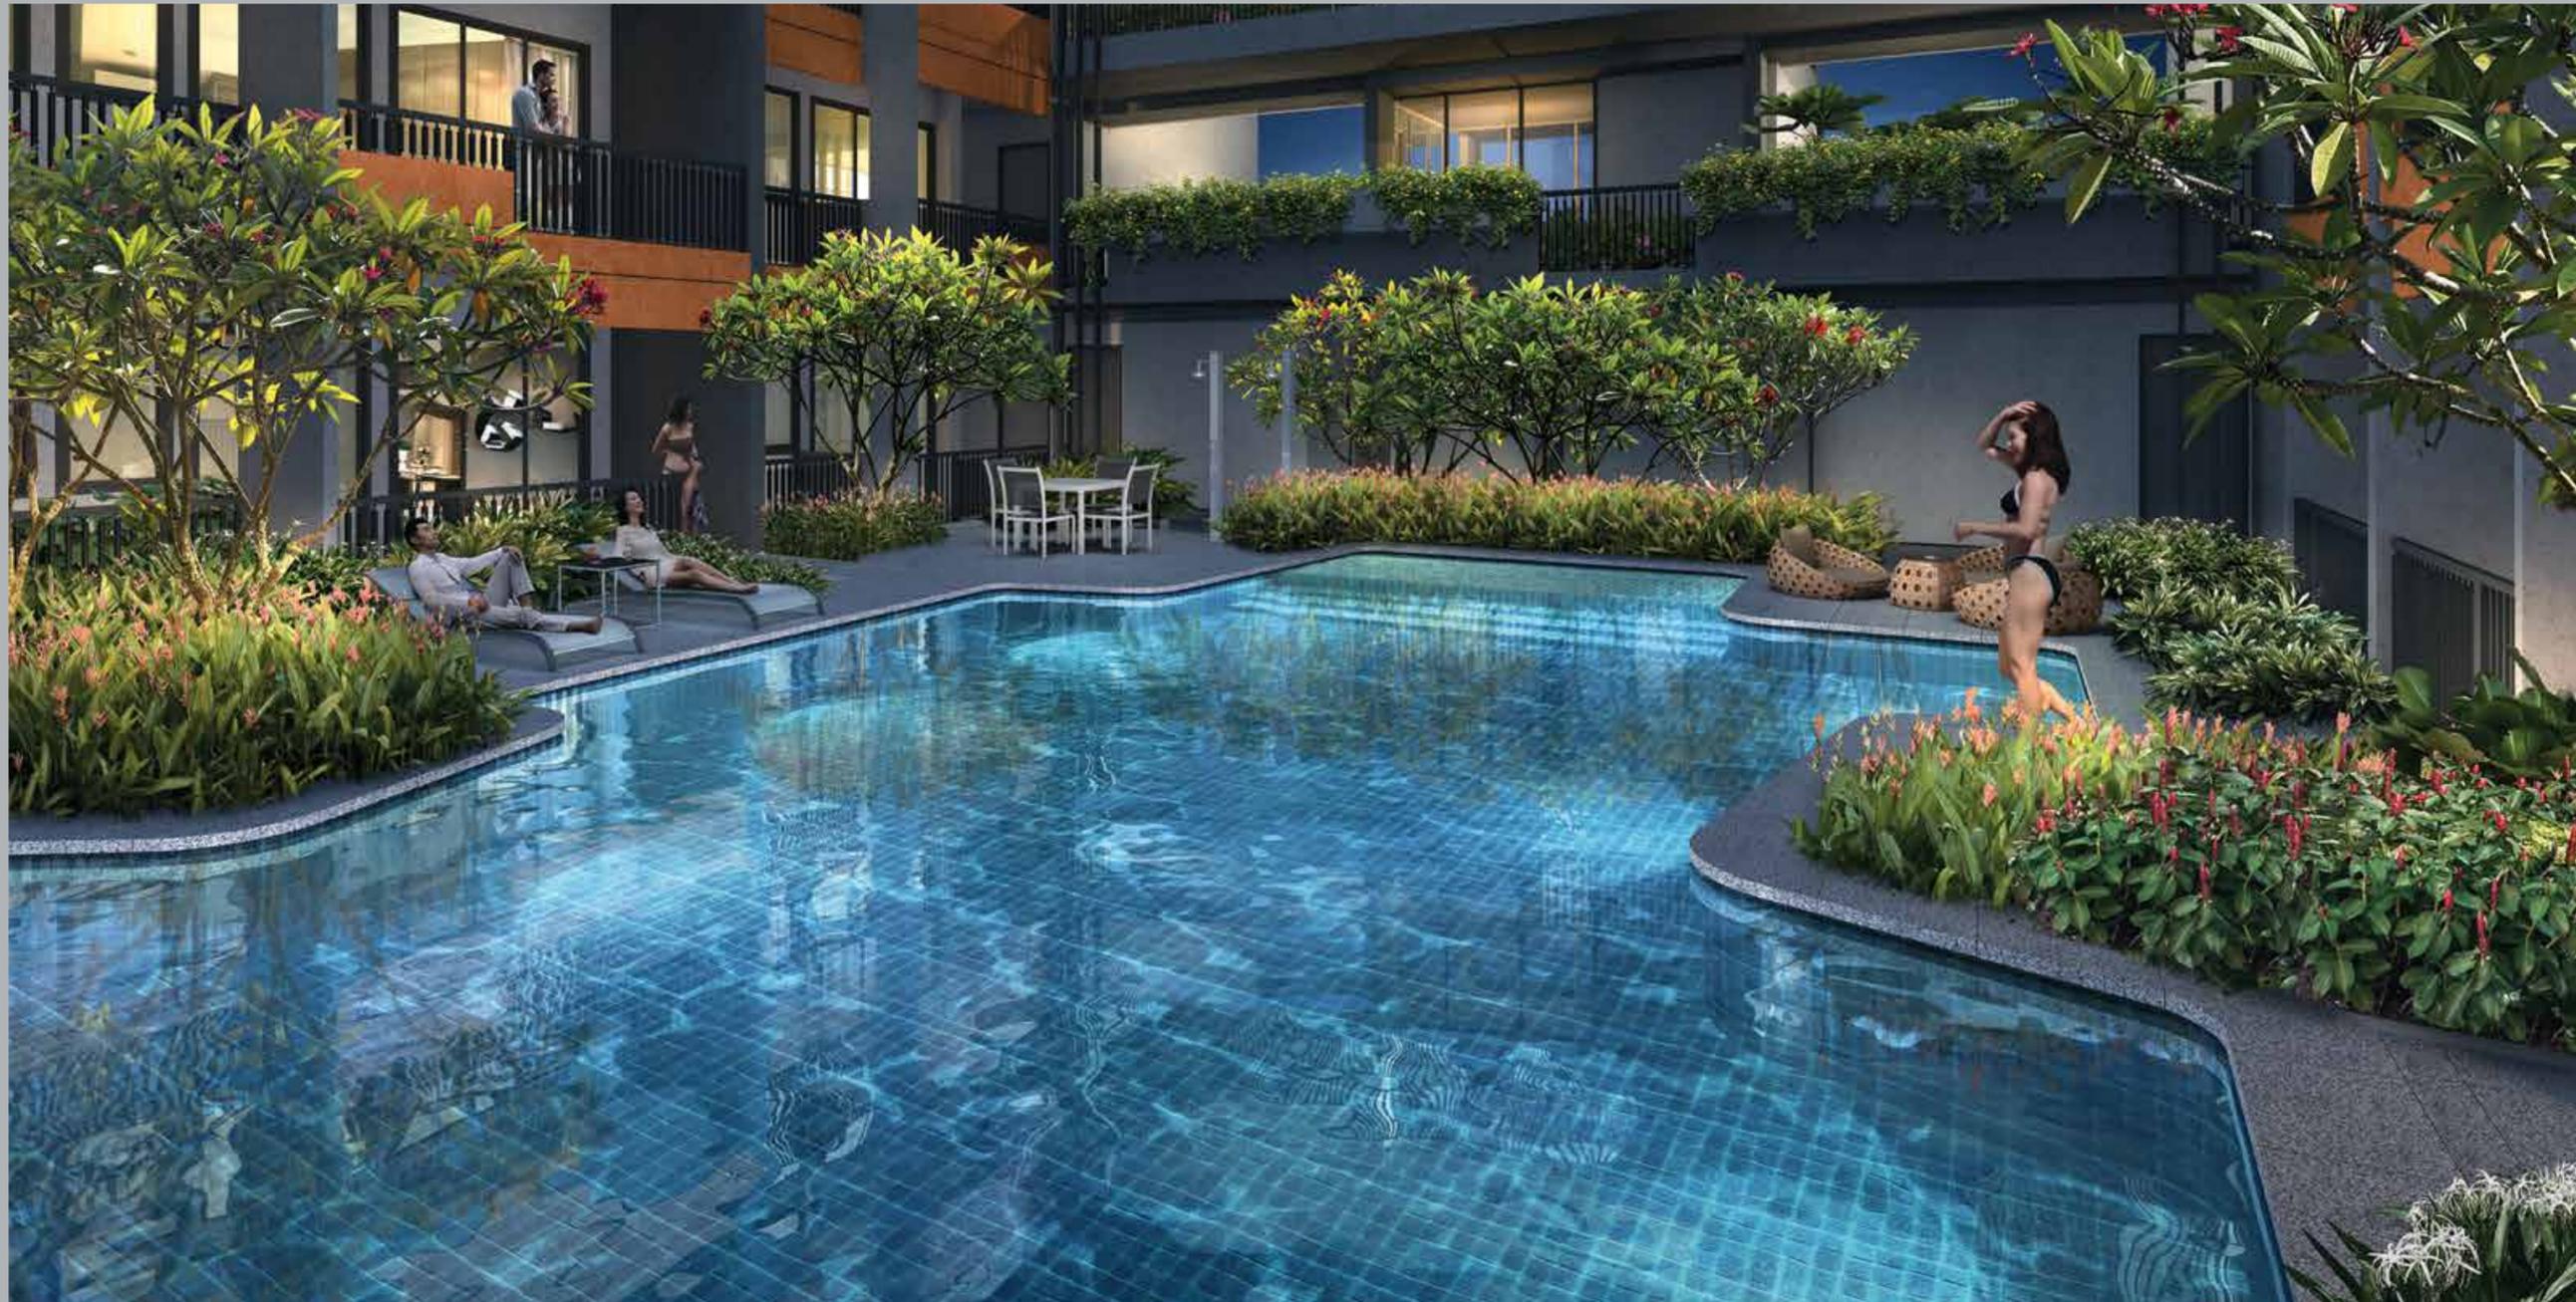

Rezi 24. Urban Utopia In The City.

Rezi 24 features 110 exclusive homes for the truly discerning. Nestled in the serene environs by the city fringe with unmatched connectivity and amenities for sheer convenience. Masterfully designed with iconic Communal Gardens on every level, it's a contemporary landmark residence that's one of its kind in the vicinity and a home that's primed to take care of the lifelong needs of the whole family.

Reinvigorate.
Pamper your mind, body and soul.

Designed with direct access for selected units to the swimming pool and 5 levels of Communal Gardens, Rezi 24 is one of its kind in the vicinity. Whether it's a home with city views, garden views or pool-facing views, it's a home that's designed to provide utmost privacy and tranquility for life.

Communal Garden Level 3
Wellness Garden

Breathe.
Soak in your lush surroundings and find your center.

Outdoor Fitness, Reflexology Path

Communal Garden Level 3
Serenity Garden

Escape.
Relish moments of quietude for some me time.

Reading Nooks

Euphoria.

Every level awaits moments to entertain, energise and escape.

Communal Garden Level 6 Entertainment Deck

Revel.
Savour the moments to cherish in life.

Business or pleasure. Now you can have it all.

Being within striking distance to major commercial and financial hubs as well as lifestyle offerings allows one to truly have it all. Whether you're heading to work in Raffles Place, a tee-off at Marina Bay Golf Course or simply a night out at MBS, you can now live it up with the perfect blend of convenience, excitement and enjoyment for life.

Nurture. A lifetime of learning with a future secured.

The little ones' educational needs are also cared for with Kong Hwa School within 1km and other prestigious educational institutions such as Geylang Methodist Primary, Dunman High, Chung Cheng High, Canadian International School, Nexus International School (Aljunied) and more nearby.

Indulge. What others call a privilege is yours to enjoy.

With the upcoming Paya Lebar Quarter, Paya Lebar Square, Singpost Centre, KINEX, City Plaza, trendy F&B joints such as The Tuckshop, local favourites at Old Airport Food Centre, Wen Dao Shi Tim Sum, Sik Bao Sin and many more nearby, the wide plethora of shopping and F&B choices will satisfy even the most discerning of tastes.

Connectivity. Reach anywhere in no time.

Within walking distance lies a multitude of MRT stations connected to the islandwide network of train lines to get you anywhere. What's more, with multiple expressways and Nicoll Highway nearby, the city is just a mere 7 minutes away by car.

Rejuvenate. Renewed surroundings for tranquility and convenience.

With plans by the Government for multiple areas along the 10km Kallang River, it will provide greater convenience for people with open spaces to enjoy for exercise and social activities. The transformation will also see an enhanced connectivity with a continuous path from Lower Peirce Reservoir to Gardens by the Bay and the Central Business District.

Kallang Distripark
The private industrial estate, a former rubber factory could be redeveloped to include housing, a park and recreational spaces

Kampong Bugis
The 17.4ha site bounded by Kallang Road, Kallang River and Crawford Street is set to be turned into a car-lite residential precinct, with a network of walkways and cycling paths

PIE Bridge
Potentially, a cycling bridge will be built over and across the Pan-Island Expressway (PIE) from St. Andrew's Village to Mar Thoma Road. Cyclists will no longer need to climb 83 steps to cross an overhead bridge straddling the 16-lane expressway

Kallang Bahru Underpass
With the underpass, users of the Kallang Park connector will not need to cross Kallang Bahru Road via a traffic crossing before climbing down a narrow flight of stairs to Kallang Distripark

Widened CTE Underpass
The underpass under the Central Expressway (CTE) could be widened and deepened, and turned into a gathering space

REZI²⁴

Map not drawn to scale

A woman with long dark hair, wearing a white long-sleeved shirt, is shown in profile, kissing a young girl on the cheek. The girl has dark hair with a small red and white striped bow, and is wearing a white ribbed long-sleeved shirt and blue jeans. They are positioned in front of a large window with white frames, through which green foliage is visible. The scene is brightly lit, suggesting a sunny day. The overall mood is warm and affectionate.

Utopia.
For a life of perpetual bliss,
just come home.

SPECIFICATIONS

Notes

A) Marble, Limestone and Granite:

Marble, compressed marble, limestone and granite are natural stone materials containing veins with tonality differences. There will be colour and markings caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity in the marble, compressed marble, limestone or granite as well as non-uniformity between pieces cannot be totally avoided. Granite tiles are pre-polished before laying and care has been taken for their installation. However, granite, being a much harder material than marble cannot be re-polished after installation. Hence, some differences may be felt at the joints. Subject to Clause 14.3, the tonality and pattern of the marble, limestone or granite selected and installed shall be subject to availability.

B) Timber strips:

Timber strips are natural materials containing veins and tonal differences. Thus, it is not possible to achieve total consistency of colour and grain in their selection and installation. Timber strips are also subject to thermal expansion and contraction beyond the control of the builder and the vendor. Natural timber that is used outdoors will become bleached due to sunlight and rain. Thus, the cycle of maintenance on staining will need to be increased as required. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clauses 9 and 17.

C) Tiles:

Selected tile sizes and tile surface flatness cannot be perfect and are subjected to acceptable range described in Singapore Standards SS483:2000. Stone look-alike tiles are produced to mimic the aesthetic looks of the natural stone materials. These stone look-alike tiles replicate natural stone in grain and variation. Whilst the colour/tonality of these look-alike tiles may mimic the aesthetic looks of stone, it is not possible to achieve total consistency of colour and grain in its selection. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligation under clause 9 and 17.

D) Air-conditioning System:

To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned on a regular basis by the Purchaser. This includes the cleaning of filters, clearing the condensate pipes and charging of gas. The Purchaser is advised to engage his own contractor to service the air-conditioning system regularly.

E) Television and/ or Internet Access:

The Purchaser is liable to pay annual fee, subscription fee and such other fees to the television and/or internet service providers or any other relevant party or any relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective channels and/or internet access.

F) Materials, Fittings, Equipment, Finishes, Installations and Appliances:

Subject to Clause 14.3, the brand, colour and model as specified for all materials, fittings, equipment, finishes, installations and appliances to be supplied shall be provided subject to Architect's selection and market availability.

G) Layout/Location of fan coil units, electrical points, television points, telecommunication points, audio intercom system, door swing positions and plaster ceiling boards:

Layout/Location of fan coil units, electrical points, television points, telecommunication points, audio intercom system, door swing positions and plaster ceiling boards are subject to Architect's final decision and design.

H) Warranties:

Where warranties are given by the manufacturers and/or contractors and/ or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor will assign to the Purchaser such warranties at the time when vacant possession of the Unit is delivered to the Purchaser. Notwithstanding this assignment, the Vendor shall remain fully responsible for the performance of its obligations under clauses 9 and 17.

I) Web Portal of the Housing Project:

The Purchaser will have to pay annual fee, subscription fee or any such fee to the service provider of the Web Portal of the Housing Project as may be appointed by the Vendor or the management corporation when it is formed.

J) False Ceiling:

The false ceiling space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purpose. Where removal of equipment is needed, ceiling works will be required. Location of false ceiling is subject to the Architect's sole discretion and final design.

K) Glass

Glass is manufactured material that is not 100% pure. Invisible nickel sulphide impurities may cause spontaneous glass breakage, which may occur in all glass by all manufacturers. The Purchaser is recommended to take up home insurance covering glass breakage to cover this possible event. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clauses 9 and 17.

L) Laminated Flooring:

Laminated flooring is manufactured material which contains tonality differences to match natural wood finish. Thus, it is not possible to achieve total consistency of colour and grain in its selection and installation. Laminated floors are installed in modular planks and are subject to thermal expansion and contraction beyond the control of the builder and the vendor. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clauses 9 and 17.

M) Mechanical Ventilation System

Mechanical Ventilation fans and ductings are provided to toilets which are not naturally ventilated. To ensure good working condition of the mechanical ventilation system, the mechanical ventilation system for the exhaust system within internal toilets (where applicable) is to be maintained by the Purchaser on a regular basis.

N) Prefabricated Bathroom Units

Certain bathroom and W.C. may be prefabricated construction and all penetrations are sealed at manufacturer's factory prior to installation on site. Any subsequent penetrations are not recommended as they will compromise the waterproofing warranty.

O) Wall

All wall finishes shall be terminated at false ceiling level. There will be no tiles/ stone works behind kitchen cabinets/longbath/vanity cabinet/mirror.

P) Cable Services

The Vendor shall endeavour to procure a service provider for cable television and/or internet services (the "Cable Services") to provide the necessary cabling or connection from its network to the Unit/Building and/or the Housing Project (or any part or parts thereof), so as to enable the Unit/Building and/or the Housing Project to receive the Cable Services. In the event, despite reasonable efforts being made by the Vendor, the Vendor is unable to procure any service provider to provide the said cabling or connection, thereby resulting in there being no Cable Services available in the Unit/Building and/or Housing Project, the Vendor shall not be liable to the Purchaser for any compensation or for any damages, costs, fees, expenses or losses whatsoever, or howsoever incurred, by virtue of the Purchaser being unable to obtain the Cable Services in the Unit/ Building and/or the Housing Project.

KSH Holdings Limited

KSH Holdings Limited ("KSH", or the "Group") is a well-established Construction, Property Development and Property Investment group with over 40 years of experience, listed on the Mainboard of the SGX-ST since 2007. Backed by a strong and diversified track record, the Group boasts a wide repertoire of construction and property projects across various sectors both locally and overseas, with geographical presence in Singapore, United Kingdom ("UK"), Australia, Japan, Malaysia and the People's Republic of China ("PRC").

With a good mix of private and public construction projects across a broad spectrum of industries, some of the Group's notable private sector projects in Singapore are The Coast, The Berth by the Cove, Fullerton Bay Hotel and NUS University Town's Educational Resource Centre.

In terms of Property Development, the Group has various completed and ongoing projects in both Singapore and the PRC through associated companies and joint ventures. This includes Lincoln Suites; The Boutiq; Rezi 26; Rezi 3Two; Rezi 35; Cityscape at Farrer Park; NEWest; KAP & KAP Residences; TRIO; Hexacube; High Park Residences; Affinity at Serangoon; Riverfront Residences; Park Colonial; and Liang Jing Ming Ju (觀景明居) in Beijing.

On the Property Investment front, the Group invests in yield-accretive assets that generate sustainable income streams with potential for capital gains mainly through joint venture partnerships, in over 10 hotel properties in UK, Japan and Australia, as well as Tianxing Riverfront Square in the PRC, a 36-storey retail and office complex in the heart of Tianjin's business district.

SLB Development Ltd.

Listed on the Catalist Board of the Singapore Exchange since April 2018, SLB Development Ltd. ("SLB") is a diversified property developer with extensive experience and a proven track record across various asset classes within the residential, mixed-use, industrial and commercial sectors. The diversified nature of its portfolio allows for the effective management of exposure to fluctuating demand and/ or changes in regulations of each type of property development.

Heeton Holdings Limited

Heeton Holdings Limited is a real estate conglomerate focused on property development, investment and management. Established in 1976, the company was listed on the Singapore Exchange in September 2003, and has since extended its business frontiers beyond Singapore to Thailand, Australia, Japan, Malaysia, Vietnam and the United Kingdom.

As a boutique property developer, Heeton enjoys a reputation for distinctive and high quality developments in the choicest districts of some of the world's major cities including Singapore, London and Bangkok. Heeton has also formed strong partnerships with other established real estate groups to develop properties locally and internationally.
