LENTOR HILLS

R E S I D E N C E S

Discover a habitat beyond the boundaries of the familiar.

An elevated terrain along Lentor Hills, experience the perfect balance of three distinct worlds – the lush, the refined, and the central.

The lush: Acres of pristine nature in your backyard and a majestic conserved Pulai tree at your doorstep.

The refined: Modern architecture with premium residential units and urban landscapes.

The central: The Lentor MRT Station is just around the corner, glorious lifestyle and food haunts everywhere with acclaimed schools nearby and a thriving growth region in your midst.

A whole new
ground

for growth
and accessibility

For quicker commutes to the rest of the island, the future North-South Corridor will seamlessly connect Lentor and its neighbouring towns with the rest of the major expressways.

FUTURE NORTH-SOUTH CORRIDOR

The construction of Singapore's first-ever integrated transport corridor is aligned with the development of the North Coast Innovation Corridor. This corridor will stretch from Woodlands Regional Centre to the redeveloped Sembawang Shipyard, the future Seletar Regional Centre, and Punggol Digital District. More live, work and play nodes are in the pipeline for residents in this thriving growth region.

Hong Leong Holdings Limited (HLHL) was founded in 1968 as the private property development and investment arm of one of Asia's largest and most successful diversified conglomerate, Hong Leong Group headquartered in Singapore.

Built on a strong reputation, HLHL is an established and trusted developer that takes pride in being responsible for some of the most recognisable and iconic developments in Singapore.

It continues to pursue higher standards on developments while maintaining its distinct levels in design, sustainability, and customer service.

A Leading Developer in Integrated Mixed-Use Developments

GuocoLand is an award-winning real estate company that distinguishes itself through its quality developments with innovative design and concepts. In Singapore, GuocoLand has successfully developed close to 40 residential projects, yielding more than 11,000 homes that have garnered numerous awards and accolades.

GuocoLand has a stellar track record in developing large-scale, integrated mixed-use developments and high-end residential developments. The Group invests in ambitious undertakings that have rejuvenated districts, shaped communities and transformed cityscapes.

Established in 1972, TID Pte. Ltd. is a joint venture between property developers, Hong Leong Group and Mitsui Fudosan, weaving a unique combination of Singapore-Japanese talents and management styles to drive excellence in real estate developments. In collaboration with partners, TID Pte. Ltd. has successfully executed a total of 36 residential projects, including a diverse portfolio of commercial, industrial and hotel properties.

With a notable residential track record, it has always set its sights on innovative design, construction safety and delivered well-located quality projects such as Nathan Suites and Optima @Tanah Merah, and together with our partners, The Oceanfront @Sentosa Cove, Forest Woods, The Jovell and Piermont Grand Executive Condominium.

TID Pte. Ltd. stands at the forefront of the built industry, embracing smart architecture design and construction, and was the first in Asia to pioneer the PPVC approach (Prefabricated Prefinished Volumetric Construction) at Brownstone Executive Condominium.

Going forward, TID Pte. Ltd. remains committed to developing and delivering quality real estate projects such as the highly successful One- North Eden and also new projects around the future Lentor Hilllock Park.
